

The Town of Newark Valley Highway Department is requesting Proposals for the Installation of sheet Pilings for a Stream Bank Stabilization.

The description of scope of work will be at the Highway Garage @ 89 Whig Street or call 607-642-9927.

All Proposals will be delivered back to The Highway Garage no later than, January 15th, 2019 @ 3:00 pm. The proposals will be read at The Town Board Meeting at the above date @ approximately 7:15 pm.

Thank You

Highway Superintendent

Charles E. Meade
