

***ATTENTION:  
Town Residents***

*The Town of Newark Valley has arranged for dumpsters to be put on our lot where we have clean up days. These are for those who have experienced damage due to the recent flooding. Please only damaged household items for disposal, no brush, or construction debris. Appliances can be left off to the side, and we will re-cycle them. The dumpsters should be here Thursday, July 17, 2025, and we will try to provide them for at least a week.*

***Contact information:*** *Town Supervisor,  
Stuart Yetter (607) 642-8746, and  
Highway Superintendent, Joe Tennant  
(607) 642-9927*
